STATEMENT

Commissioner for Patents:

The Patent Office issued an Office Action on June 4, 2002 and applicants timely filed a reply on October 4, 2002 with a petition for a one month extension of time and fee. The Examiner apparently issued an Advisory Action but it was mailed to applicants' representative's previous law firm. Applicants' representative was unaware of the Advisory Action and learned about it during a telephone call to Examiner James Martinell to inquire about the status.

Examiner Martinell forwarded a copy of the Advisory Action to applicants' representative on July 10, 2003, and applicants were informed of the current status.

Since July 10, 2003, applicants have investigated and developed arguments and support for substantively responding to the Advisory Action.
